## CONTRACTING OFFICER TICKLIST AND GUIDANCE FOR THIS MODEL

- ☐ General - The attached model solicitation (Request for Quotations or RFQ) is prepared in the commercial item format prescribed in FAR 12.303. Link to the FAR at: <http://acquisition.gov/far/index.html>
- ☐ The requiring office must obtain a waiver from DHS under Safety Act or designation of coverage. DHS ruling will determine which FAR clauses to be included per PIB 2008-07. Link to PIBs on A/OPE intranet site at: [http://aopepd.a.state.gov/content.asp?content\\_id=86&menu\\_id=50](http://aopepd.a.state.gov/content.asp?content_id=86&menu_id=50)
- ☐ Performance Work Statement (PWS) Instructions - This model is predicated on the alarm systems remaining the property of the Contractor to encourage maintenance and periodic testing of the hardware. Usually this is in the best interests of the Government. If alarms become USG property DS must approve them and schematics submitted as part of the proposal will need to be forwarded to DS/C/PSP/PSD for review and approval.
- ☐ Always use A/OPE's most recent contract model. Do not recycle an older version. The FAR clauses in the Contract Models are updated many times each year. Link to contract models on A/OPE intranet site at: [http://aopeead.a.state.gov/content.asp?content\\_id=8&menu\\_id=47](http://aopeead.a.state.gov/content.asp?content_id=8&menu_id=47)
- ☐ If you have questions about FAR Provisions and Clauses, consult FAR subpart 52.3, the Provision and Clause Matrix, at: [http://acquisition.gov/far/current/html/52\\_301Matrix.html](http://acquisition.gov/far/current/html/52_301Matrix.html). Do not delete any provisions or clauses without talking with your A/OPE Desk Officer.
- ☐ In the documentation to the A/OPE Desk Officer, Contracting Officer has stated the file name of the model the Contracting Officer has copied from A/OPE's intranet site at: [http://aopeead.a.state.gov/content.asp?content\\_id=8&menu\\_id=47](http://aopeead.a.state.gov/content.asp?content_id=8&menu_id=47)
- ☐ Instructions for each "[Note to Contracting Officer]" have been followed
- ☐ Offeror and Contracting Officer have completed all appropriate fill-in-the-blank sections, many of which are denoted by "[ ]"
- ☐ FAR part 12 addresses commercial item acquisitions. FAR part 2 defines a commercial item. If you are uncertain whether these services in the host country fall within the commercial item definition, please contact your A/OPE Desk Officer, who will assist you in making that decision. Link to the FAR at: <http://acquisition.gov/far/index.html>
- ☐ You have coordinated the tasks with the Requirements Office to ensure all tasks are necessary.
- ☐ REQUIRED – Before sending to A/OPE for review, all modified clauses are highlighted unless the instructions for that clause in the model expressly state that post should modify the clause to reflect post specifics.
  - ☐ REQUIRED - Rationale for this modification has been included in the memo requesting review from A/OPE.

☐ **Highlights** have been removed before issuing solicitation

☐ Cover Page of Solicitation

☐ For commercial item contracts/purchase orders **exceeding \$150,000**, use the SF-1449 as the cover page.

☐ For commercial item contracts/purchase orders **of \$150,000 or less**, use either the SF-1449 (which can be used for the FRQ and award) or the SF-18 (for the RFQ) and OF-347 (for the award). If the SF-18 is used:

☐ Include FAR clause 52.212-4 and provision 52.212-1, either by reference or in full text (this clause and provision are included on the SF-1449 by reference in block 27, but not on the SF-18); and

☐ Correct all references to the SF-1449. **Consequently, it would be simpler to use the SF-1449 in all cases when buying services as a commercial item.**

☐ For commercial item contracts/purchase orders of up to \$5.5 million, use a Request for Quotations (RFQ) number, rather than a Request for Proposals (RFP) number.

☐ Fill-Ins and Add-Ins -- The solicitation contains several FAR clauses that must be filled in, either by you (before the RFQ is released) or by the offeror/quoter, before submitting the document to you. These fill-ins are as follows:

Contracting Officer completes:

- ☐ 52.216-18, Ordering
- ☐ 52.216-19, Order Limitations
- ☐ 52.216-22, Indefinite Quantity
- ☐ 52.217-9, Option to Extend the Term of the Contract
- ☐ 52.232-19, Availability of Funds for the Next Fiscal Year

Offeror/quoter completes:

☐ 52.212-3, Offeror Representations and Certifications--Commercial Items

☐ Bio-preferred products - If US firms or products are being solicited then include 52.223-1 and 52.223-2 in the solicitation/contract. Place in Section 2.

☐ Appropriate information has been entered into all blank fields

☐ Your A/OPE Desk Officer has approved this document when and where approval is appropriate.

☐ Tailoring of FAR clauses - Some tailoring of FAR clauses is permissible, but this should rarely occur. In the model, the addendum for both FAR clause 52.212-4 and FAR provision

52.212-1 shows no tailoring. If you need to tailor this clause, please contact your A/OPE Desk Officer for guidance.

- ☐ The entire contract model, including all completed tick lists and instructions, has been saved somewhere for your records so you'll have a history of what you've done.
- ☐ "Model Updates" at the beginning of this document were deleted before final printing.
- ☐ ALL "Tick List and Guidance" comments have been deleted before final printing.
- ☐ "[Notes to Contracting Officer]" which are embedded in the model have been deleted before final printing
- ☐ Contracting Officer has read the document before it has been submitted to A/OPE for review.
- ☐ Contracting Officer has made sure all A/OPE comments are incorporated before issuance.
- ☐ Contracting Officer has actually read the final document before distribution.
- ☐ The document makes sense to both you and your A/OPE Desk Officer.
- ☐ The Proposal due date is listed per instructions in FAR part 5. Also, the Contracting Officer has ensured this due date does not fall on an Embassy holiday or weekend. Link to the FAR at: <http://acquisition.gov/far/index.html>
- ☐ PIB 2007-14 has been reviewed to ensure public notification/advertising requirements have been satisfied where appropriate. When in doubt, contact your A/OPE Desk Officer. Link to PIBs on A/OPE intranet site at: [http://aoepd.a.state.gov/content.asp?content\\_id=86&menu\\_id=50](http://aoepd.a.state.gov/content.asp?content_id=86&menu_id=50)
- ☐ The proposed COR has been notified of all required training as set forth in DOSAR subpart 642 to ensure these requirements have been satisfied prior to or at the time of award. Link to DOSAR at: <http://aope.a.state.gov/dosar/fullscreen.asp>
- ☐ Contracting Officer has negotiated for the lowest priced technically acceptable offer.
- ☐ Post has reviewed the historical data associated with Temporary Additional Services to determine whether or not these services are required or necessary.
  - ☐ Post may wish to price Temporary Additional Services based on alternate pricing arrangements, such as per unit price instead of hourly rate.
    - ☐ If this is desired then Post must obtain the approval of the A/OPE Desk Officer because there are many changes that will need to be made in the document.
- ☐ Please note we have deleted DOSAR 652.216-71 the Economic Price Adjustment Clause (EPA) from Section 1 of this model. It has been determined that the Contractor should

assume the risk and negate the need for further cost/analysis and re-negotiations to be done at posts. This applies to posts where the minimum wage and labor cost increases are standard, increases do not fluctuate substantially, and market forces and price competition have been shown to be fair and reasonable. Please contact your A/OPE Desk Officer if you feel it is necessary to include this clause.

- ☐ If there have been big fluctuations in the economy, post may elect to incorporate less option years. If this is done, then there will be additional changes within the document.

- ☐ Defense Base Act Insurance clauses reviewed and modified

- ☐ When the Contracting Officer has a reasonable expectation that no covered contractor employees (for definition of covered versus non covered employees, see PIB 2009-20 on A/OPE intranet site at: [http://aopepd.a.state.gov/content.asp?content\\_id=86&menu\\_id=50](http://aopepd.a.state.gov/content.asp?content_id=86&menu_id=50) ) will be included in the offers (e.g., offers will come from local overseas contractors and the work is to be performed in a country that has local workers' compensation laws), the Contracting Officer shall include the following FAR clause and DOSAR provision in the document:

- ☐ FAR clause 52.228-4, *Workers' Compensation and War-Hazard Insurance Overseas*; place in Section 2

- ☐ Provision entitled *Defense Base Act – Covered Contractor Employees*; place in Section 5

- ☐ If, in response to the document, any offeror knows that they will employ covered employees, the offeror is required to notify the contracting officer prior to the closing date.

- ☐ The Contracting Officer shall then amend the document to add a line item in Section 1 (see sample language in B.2.7 and actual item in B.3.6 of the LGP model). Link to LGP contract model at:

[http://aopeead.a.state.gov/content.asp?content\\_id=7&menu\\_id=46](http://aopeead.a.state.gov/content.asp?content_id=7&menu_id=46)

- ☐ If covered employees will be employed, delete the following

- ☐ Provision entitled 652.228-70 *Defense Base Act – Covered Contractor Employees* from Section 2.

Also add the following clauses/provisions if using covered employees:

- ☐ FAR clause 52.228-3, *Workers' Compensation Insurance (Defense Base Act)*; place in Section 2.

☐ DOSAR clause 652.228-71, *Workers' Compensation Insurance (Defense Base Act) – Services*; place in Section 2.

☐ Offerors shall be given additional time to incorporate the DBA contractor rates into their proposed prices.

☐ Section 3 Completed. Pre-Proposal Conference/Site Visit - If there will be a pre-proposal conference or site visit, provide information in a cover letter to the solicitation. You may use the pre-proposal conference/site visit language from any of the other A/OPE model solicitations and add to Section 3. Link to contract models on A/OPE intranet site at: [http://aopeed.a.state.gov/content.asp?content\\_id=8&menu\\_id=47](http://aopeed.a.state.gov/content.asp?content_id=8&menu_id=47)

☐ SECTION 5 COMPLETED - American Business Sources

☐ For the Section 5 inserts which follow, you have deleted all instructions such as “[Complete only if the offeror represented itself as a small business concern in paragraph (b)(1) of this provision.]”

☐ All tick marks such as this one “[ ]” have been appropriately ticked

☐ If you know or expect that American businesses may submit a proposal, you must include the following solicitation provision, in addition to the other certifications contained in this solicitation. This certification is used to determine whether the firm is considered small by the Small Business Administration (SBA).

☐ If you receive an offer from a small business, and you determine that firm to be non-responsible, then you must refer the matter to A/OPE and A/SDBU for referral to SBA; any determination of non-responsibility of an American small business must be referred to SBA prior to award of the contract. SBA will then determine whether to issue a Certificate of Competency (SBA) attesting to the firm's ability to perform the contract. For more information, see FAR 19.000(b) and FAR 19.6. Link to the FAR at: <http://acquisition.gov/far/index.html>

#### 1. SCOPE OF CONTRACT

The Contractor shall provide, install, and maintain residential alarm systems for the U.S. Embassy *[Note to Contracting Officer: Insert name of Embassy and constituent posts, if needed]*.

The performance period of this contract is from the start date in the Notice to Proceed and continuing for 12 months, with *[Note to Contracting Officer: Fill in number of option years]*, one-year options to renew. The initial period of performance includes any transition period authorized under the contract.

#### 2. PRICING

This is a fixed-price indefinite quantity/indefinite delivery contract with *[Note to Contracting Officer: Insert number of option years]* one-year options.

(a) The Contractor shall provide the services for the base period of the contract at the rates shown below and any option years exercised by the Government.

(b) The quantities of supplies and services specified in the Schedule are estimates only and are not guaranteed by this contract.

(c) The Contractor shall furnish to the Government, when and if ordered, the supplies or services as specified in this contract. The Government may issue orders requiring delivery to multiple destinations or performance at multiple locations. Except as specified in the Delivery-Order Limitations clause or in the paragraph below, there is no limit on the number of orders that may be issued/ordered.

(d) The prices listed below shall include all labor, materials, overhead, and profit.

(e) VALUE ADDED TAX

*[Note to Contracting Officer: Does VAT get included in the solicitation?]*

*You need to understand the VAT process of the host government in order to determine if or how VAT should be incorporated into this solicitation. Select either VAT Version A or VAT Version B.*

*Is this acquisition using Foreign Assistance Funds? If yes you must include one of the versions below.*

*Use VAT Version A if the Contractor must invoice the USG and pay VAT to the host government even if the host government later reimburses post. If Version A is selected, Contracting Officer must:*

*State whether the full VAT amount is charged on all aspects of the contract and provide a separate line item with a firm fixed priced amount (not a percentage).*

*Use VAT Version B if the Contractor will not be required to invoice for and pay VAT to the host government, either because the host country has no VAT or because the embassy has a tax exemption certificate that relieves our service contractors from collecting and paying VAT. Note that these exemptions frequently only apply when the embassy is directly purchasing goods and do not exempt a service contractor from charging and paying VAT. If the embassy has this certificate, a copy of it or the number of it will need to be furnished to the Contractor for use under this contract.]*

#### **VAT VERSION A**

VALUE ADDED TAX. Value Added Tax (VAT) is included in the CLIN rates or as a separate Line Item in the contract and on Invoices. Local law dictates the portion of the contract price that is subject to VAT. It is reflected for each performance period. The portions of the solicitation subject to VAT are:

**OR**

#### **VAT VERSION B**

VALUE ADDED TAX. Value Added Tax (VAT) is not applicable to this contract and shall not be included in the CLIN rates or Invoices because the U.S. Embassy has a tax exemption certificate from the host government.

## 8. DEFINITIONS

"Central Processor/Control Box" is a unit that receives and analyzes input from the sensors installed in various zones being protected and communicates via the radio transmitter to the Central Alarm Monitoring System (CAMS) located at a base operations center.

"Keypad" is a component used to activate, deactivate, and program the alarm system. Commands are entered by pressing various buttons on the unit.

"Transmitter" is the primary transmitter that establishes a radio signal link for communication between the control box and the CAMS at the base operations center.

"Receiver" is the component which receives signals from the wireless alarm sensors/transmitters and relays data to the control box for processing.

"Door/Window Contact Sensors" are magnetic-type sensors that are mounted on windows and doors to signal when they have been opened.

“Motion Sensors” are sensors which utilize one or a combination of several different technologies to detect the motion of an intruder and signal his/her presence in a protected zone. Common technologies used include employment of passive infrared (PIR) and/or microwave signals.

“Hand-Held Panic Alert Buttons” are small, remote-control-type units that can be carried on one’s person in or near the protected property. In case of an emergency, the button can be pressed to signal for assistance from a React Team.

“Interior Siren” is an audible alarm positioned inside the protected property to alert the occupants to an alarm condition.

“Exterior Siren and Strobe Light” consist of an audible alarm and flashing light which are mounted on the exterior of the protected property. When activated they clearly signal to neighbors, passersby, or responding authorities that an apparent unauthorized entry is in progress and may also deter an intruder from continuing illegal activity and cause them to flee.

“Panduit” means the cable ties that are used to secure the cabling and wiring to the interior and exterior walls.

52.216-18 ORDERING (OCT 1995)

(a) Any supplies and services to be furnished under this contract shall be ordered by issuance of delivery orders or task orders by the individuals or activities designated in the Schedule. Such orders may be issued from date of award through base period or option periods if exercised. See F.2.

(b) All delivery orders or task orders are subject to the terms and conditions of this contract. In the event of conflict between a delivery order or task order and this contract, the contract shall control.

(c) If mailed, a delivery order or task order is considered “issued” when the Government deposits the order in the mail. Orders may be issued orally, by facsimile, or by electronic commerce methods only if authorized by the Schedule.

52.216-19 ORDER LIMITATIONS (OCT 1995)

(a) Minimum order. When the Government requires supplies or services covered by this contract in an amount of less than ***[Note to Contracting Officer: Insert dollar figure or quantity]***, the Government is not obligated to purchase, nor is the Contractor obligated to furnish, those supplies or services under the contract.

(b) Maximum order. The Contractor is not obligated to honor--

(1) Any order for a single item in excess of ***[Note to Contracting Officer: Insert dollar figure or quantity]***;

(2) Any order for a combination of items in excess of ***[Note to Contracting Officer: Insert dollar figure or quantity]***; or

(3) A series of orders from the same ordering office within ***[Note to Contracting Officer: Insert days]*** days that together call for quantities exceeding the limitation in subparagraph (1) or (2) above.

(c) If this is a requirements contract (i.e., includes the Requirement clause at subsection 52.216-21 of the Federal Acquisition Regulation (FAR)), the Government is not required to order a part of any one requirement from the Contractor if that requirement exceeds the maximum-order limitations in paragraph (b) above.

(d) Notwithstanding paragraphs (b) and (c) above, the Contractor shall honor any order exceeding the maximum order limitations in paragraph (b), unless that order (or orders) is returned to the ordering office within ***[Note to Contracting Officer: Insert days]*** days after issuance, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the Government may acquire the supplies or services from another source.

52.216-22 INDEFINITE QUANTITY (OCT 1995)

(a) This is an indefinite-quantity contract for the supplies or services specified, and effective for the period stated, in the Schedule. The quantities of supplies and services specified in the Schedule are estimates only and are not purchased by this contract.

(b) Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering clause. The Contractor shall furnish to the Government, when and if ordered, the supplies or services specified in the Schedule up to and including the quantity designated in the Schedule as the "maximum." The Government shall order at least the quantity of supplies or services designated in the Schedule as the "minimum."

(c) Except for any limitations on quantities in the Deliver-Order Limitations clause or in the Schedule, there is no limit on the number of orders that may be issued. The Government may issue orders requiring delivery to multiple destinations or performance at multiple locations.

(d) Any order issued during the effective period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and Government's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period; provided that the Contractor shall not be required to make any deliveries under this contract after one year beyond the contract's effective period.

52.217-9 OPTION TO EXTEND THE TERM OF THE CONTRACT (MAR 2000)

(a) The Government may extend the term of this contract by written notice to the Contractor within the performance period of the contract or within 30 days after funds for the option year become available, whichever is later.

Funds are not presently available for performance under this contract beyond September 30 of the current calendar year. No legal liability on the part of the Government for any payment may arise

for performance under this contract beyond September 30 of the current calendar year, until funds are made available to the Contracting Officer for performance and until the Contractor receives notice of availability, to be confirmed in writing by the Contracting Officer.

652.225-71 SECTION 8(A) OF THE EXPORT ADMINISTRATION ACT OF 1979, AS AMENDED (AUG 1999)

(a) Section 8(a) of the U.S. Export Administration Act of 1979, as amended (50 U.S.C. 2407(a)), prohibits compliance by U.S. persons with any boycott fostered by a foreign country against a country which is friendly to the United States and which is not itself the object of any form of boycott pursuant to United States law or regulation. The Boycott of Israel by Arab League countries is such a boycott, and therefore, the following actions, if taken with intent to comply with, further, or support the Arab League Boycott of Israel, are prohibited activities under the Export Administration Act:

(1) Refusing, or requiring any U.S. person to refuse to do business with or in Israel, with any Israeli business concern, or with any national or resident of Israel, or with any other person, pursuant to an agreement of, or a request from or on behalf of a boycotting country;

(2) Refusing, or requiring any U.S. person to refuse to employ or otherwise discriminating against any person on the basis of race, religion, sex, or national origin of that person or of any owner, officer, director, or employee of such person;

(3) Furnishing information with respect to the race, religion, or national origin of any U.S. person or of any owner, officer, director, or employee of such U.S. person;

(4) Furnishing information about whether any person has, has had, or proposes to have any business relationship (including a relationship by way of sale, purchase, legal or commercial representation, shipping or other transport, insurance, investment, or supply) with or in the State of Israel, with any business concern organized under the laws of the State of Israel, with any Israeli national or resident, or with any person which is known or believed to be restricted from having any business relationship with or in Israel;

(5) Furnishing information about whether any person is a member of, has made contributions to, or is otherwise associated with or involved in the activities of any charitable or fraternal organization which supports the State of Israel; and,

(6) Paying, honoring, confirming, or otherwise implementing a letter of credit which contains any condition or requirement against doing business with the State of Israel.

(b) Under Section 8(a), the following types of activities are not forbidden “compliance with the boycott,” and are therefore exempted from Section 8(a)'s prohibitions listed in paragraphs (a)(1)-(6) above:

(1) Complying or agreeing to comply with requirements:

(i) Prohibiting the import of goods or services from Israel or goods produced or services provided by any business concern organized under the laws of Israel or by nationals or residents of Israel; or,

(ii) Prohibiting the shipment of goods to Israel on a carrier of Israel, or by a route other than that prescribed by the boycotting country or the recipient of the shipment;

(2) Complying or agreeing to comply with import and shipping document requirements with respect to the country of origin, the name of the carrier and route of shipment, the name of the supplier of the shipment or the name of the provider of other services, except that no information knowingly furnished or conveyed in response to such requirements may be stated in negative, blacklisting, or similar exclusionary terms, other than with respect to carriers or route of shipments as may be permitted by such regulations in order to comply with precautionary requirements protecting against war risks and confiscation;

(3) Complying or agreeing to comply in the normal course of business with the unilateral and specific selection by a boycotting country, or national or resident thereof, of carriers, insurance, suppliers of services to be performed within the boycotting country or specific goods which, in the normal course of business, are identifiable by source when imported into the boycotting country;

(4) Complying or agreeing to comply with the export requirements of the boycotting country relating to shipments or transshipments of exports to Israel, to any business concern of or organized under the laws of Israel, or to any national or resident of Israel;

(5) Compliance by an individual or agreement by an individual to comply with the immigration or passport requirements of any country with respect to such individual or any member of such individual's family or with requests for information regarding requirements of employment of such individual within the boycotting country; and,

(6) Compliance by a U.S. person resident in a foreign country or agreement by such person to comply with the laws of that country with respect to his or her activities exclusively therein, and such regulations may contain exceptions for such resident complying with the laws or regulations of that foreign country governing imports into such country of trademarked, trade named, or similarly specifically identifiable products, or components of products for his or her own use, including the performance of contractual services within that country, as may be defined by such regulations.

652.242-73 AUTHORIZATION AND PERFORMANCE (AUG 1999)

The Contractor warrants the following:

(a) That it has obtained authorization to operate and do business in the country or countries in which this contract will be performed;

(b) That it has obtained all necessary licenses and permits required to perform this contract; and,

## SECTION 4 - EVALUATION FACTORS

The Government intends to award a contract/purchase order resulting from this solicitation to the lowest priced, technically acceptable offeror/quoter who is a responsible contractor. The evaluation process shall include the following:

- a) **Compliance Review.** The Government will perform an initial review of proposals/quotations received to determine compliance with the terms of the solicitation. The Government may reject as unacceptable proposals/quotations which do not conform to the solicitation.
- b) **Technical Acceptability.** The Government will thoroughly review those proposals remaining after the initial evaluation to determine technical acceptability. The Government will review Technical Acceptability by reviewing information submitted as part of Section 3, including a review of the schematics on the alarm system and proposed project manager. For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American Act. (h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) *o* Are, *o* are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) *o* Have, *o* have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) *o* Are, *o* are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) *o* Have, *o* have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for *Listed End Products* (*Executive Order 13126*).
